2012 REMASTER

TENDERLY

I am tired of fighting you
And I'm fed up with crying
I just want your tenderness tonight

We will talk about it in the morning
I've been trying
Just to find some answers
Some replies

But tonight, comfort me
Ease my pain tenderly

So tonight, comfort me
Ease my pain tenderly
Please don't talk, just be still
I love you, always will

If you give me time to think
About the love inside me
I will try to tell you what I feel

Please don't try to rush me, baby
Please don't try to guide me
I just need some space
To make it real

Don't hurt me, just be kind
Be my friend, just be mine
Be gentle, hold my hand
Until dawn, understand

Try to understand how hard it is
To show emotion
No one ever taught me to express

But you've known for quite a while
About the true devotion
Deep inside of me
You could have guessed

So don't talk, just be still
I love you, always will
And tonight, comfort me
Ease my pain tenderly

Don't hurt me, just be kind
Be my friend, just be mine
Be gentle, hold my hand
Until dawn, understand

Don't hurt me

OUT OF BOUNDS

Hey you
Who do you think you are
Disturbing the peace
Molesting people in the streets
Yeah, you
This time you've gone too far
You're acting out of frustration
You're empty-headed and blind
You cannot handle the situation

Wake up
Why don't you realise
That the reason for your hate
Is the fact that you are afraid
Come on now, wake up
You're out of bounds
They only tell you lies
Can't you see their deceit
They will hurt you 'till you bleed
Wake up

Hey you
Would you explain the grounds
For joining a party
That is stuffed with inadequate fools
Yeah, you
You're clearly out of bounds
You wear a swastika, honey
But you don't know what it means
It is repulsive, it isn't funny
You have improbable dreams
Nothing is quite what it seems

You'd better wake up
Why can't you understand
That the cause behind your fear
Is complete confusion, my dear

WAITING

Come on now, wake up
You're out of bounds
Your dreams are built on sand
All those fascist ideas
They will only lead to tears
You're out of bounds
Wake up

You talk about the creation
Of a superior race
And the arrival of a new nation

Wake up, you're out of bounds
Why don't you realise
That the reason for your hate
Is the fact that you are afraid

You'd better wake up
They only tell you lies...

You think you know the solution
To every problem around
Well, let me tell you, it's an illusion
Not even breaking new ground
It's just a phantom you've found

Come on now, wake up
You're out of bounds
Why can't you understand
That the cause behind your fear
Is complete confusion, my dear
You'd better wake up
Your dreams are built on sand
All those fascist ideas
They will always lead to tears
Come on now, wake up
You're out of bounds

Some time ago you left me here
On my own, all alone
Tomorrow you'll be back
Just for the night
But that's alright

Baby, your voice so far away
On the phone turns me on
I need you here with me
My body yearns
This longing burns

Thinking of you
Yes, I love you
Pretty baby
I am waiting
Will you hold me
Like you told me
Tomorrow night you will be mine

Waiting for you just drives me mad
Every day fades away
But when you're coming back
When you arrive
I'm high on life

Thinking of you
Yes, I love you
Pretty baby
I am waiting
Will you hold me
Like you told me
Tomorrow night you will be mine

Sometimes it seems
The dream slips into reality

Your handsome face is on my mind
Constantly, 'cause, you see
We share a perfect love
It's you and me
Eternally

Thinking of you
Yes, I love you
Pretty baby
I am waiting
Will you hold me
Like you told me
Tomorrow night you will be mine

THE HUNGER

On the hunt for some love again
I'm walking in the dark
Look around for a hungry man
A stranger in the park

As I lean against a tree
Light a smoke, so casually
He approaches with fire in his eyes

501's showing his desire
He moves to kiss my lips
Deep inside there's a raging fire
My hands upon his hips

Then we're moving in the night
Longing to be satisfied
In a mixture of pleasure and despair

Hungry for someone
To guide the way
In this confusion, an illusion
Of someone who will stay

Yearning for someone
Who understands
All of my sorrow
Will tomorrow be brighter then

Watching him in a dimmed cafe
I left the place at once
I'm too scared to go all the way
Afraid to take a chance

Though I long for something more
I've been hurt too much before
I take care not to fall in love again

Hungry for someone
To guide the way
In this confusion, an illusion
Of someone who will stay

Yearning for someone
Who understands
All of my sorrow
Will tomorrow be brighter then

Silent tears are falling down
On the ground, on the ground
Have to confess
That my life is a mess
Without you
The void comes to claim me
And maim me, and maim me

On the hunt for some love again
I'm walking in the dark
Look around for a hungry man
A stranger in the park

Though I long for something more
I've been hurt too much before
I take care not to fall in love again

Hungry for someone
To guide the way
In this confusion, an illusion
Of someone who will stay

Yearning for someone
Who understands
All of my sorrow
Will tomorrow be brighter then

LORD OF DARKNESS

Midnight, the moon shines bright
I bathe in the silvery light
Of midnight, moonlight

Darkness, it comforts my heart
I dance in the circle
And float in darkness

The master
Coming up from behind
He captures my soul
We dance in the circle 'till dawn
The light burns, it burns

Lord of darkness
Ride the lightning
Riding until dawn

Stardust, the mystery rites
Embracing the light of the moon
At midnight, moonlight

Magic, the smoke in our eyes
We lay down our garments for him
Our master, magic

Time, I sold my soul in darkness
Reaching for the silvery light
Of the moon at midnight
In the circle we dance until dawn

Lord of darkness
Ride the lightning
Riding until dawn

We're moving
To the beat of the dance
I watch him approach
Bewitched, hypnotised by his eyes
His sword hurts, it hurts
Yet it feels so good

Lord of darkness
Ride the lightning
Riding until dawn

Time, I sold my soul in darkness
Reaching for the silvery light
Of the moon at midnight
In the circle we dance until dawn

Lord of darkness, cover my soul
Dance with me, losing control
We dance until dawn

DECEMBER DREAMS

I sit in my room
As I drift away in a dream
Of December
I see what's to come
I long for the magical month
Of December

And I see the snowflakes
Fall from the sky
With my mind's eye
And I hear the Christmas bells
Ringing clear
With my mind's ear
December is near

Christmas trees, magic breeze
Blowing through the land
Christmas bells, magic spells
All at my command

The friends, relatives
I give all the love that I have
In December
The presents, the joy
I share all the warmth of my heart
In December

CHRISTMAS CALLING

A few days before Christmas
The snow is slowly falling outside
The wind blows through the trees
And I can see glittering lights
In the distance

The sweet taste of December
The gentle songs, the glory of Christ
The year, almost gone by
This is the time to look back
And remember

Christmas calling
The year is fading away
A little every day
The nights are cold but you're near
My love, I hope you will
Always be here

In my heart
Burns an eternal flame
Without you
Life would not be the same
I don't think that I could bear
To live without your love
My love

A few days before Christmas
I wonder what the future will bring
It's time to realise
There is much more to be reached
In the new year

The sweet taste of December
The moment to reflect on the past
Recall every good day
I hope tomorrow will bring
So much pleasure

Christmas calling
Here in your arms
Feeling your warmth

The year is fading away
A little every day
The nights are cold but you're near
My love, I hope you will
Always be here

In my heart
Burns an eternal flame
Without you
Life would not be the same
I don't think that I could bear
To live without your love
My love

FADING AWAY

They say she's only growing older
But I just know they are wrong
Sometimes she cries
And doesn't know why

She knows she's fading away
A little each day
Fading away, fading away, away, away

They say she's only growing older
That vacant look in her eyes
Tells me they're wrong
She used to be strong

But now she's fading away
A little each day

She used to know their names
But now they're all the same
They come and they go
And she doesn't know who they were
The present means nothing to her

She's fading away a little each day
Away, away

They say she gets a little slower
The twilight hour of her life
Clear is the past
Today doesn't last

She knows she's fading away
A little each day
Fading away, fading away, away, away

VOICES

Voices in the air
Whispers in the night
Remnants of the past
The mystery of light

Light a candle in the church
Light a light for me
I am broken, I am cursed
Longing to be free

Ancient melodies
Drifting through my brain
Fill my memory
A history of pain

Painful searching for the truth
Try to find a way
Somehow I have lost my youth
And my life turned grey

Silently crying
Each time you go
No more denying
I need you so

Captured by a thought
Fragments of delight
Sailing without aim
Got no more strength to fight

Fight my fear of emptiness
Chilling me inside
It gets harder to confess
Every haunted night

Silently crying
Each time you go
No more denying
I need you so

I can't accept it's over
Recalling every fight
Life is an endless night
Life is an endless night

Voices in the air
Whispers in the night
Haunted by the dark
The promises of light

Light a candle in the church
Light a light for me
I am broken, I am cursed
Longing to be free

Silently crying
Each time you go
No more denying
I need you so

LOSING AGAIN

Life without you is cold and hard
Feels so useless now we're apart
So confusing, I am losing
Silent are my tears

Feels like something
Deep down inside
Was assaulted, then slowly died
All the suffering and the anguish
I can't take no more
So insecure

Don't pretend we're still friends
You should know by now
It's not enough
Losing once again
I am the loser in the end

Never wanted to cause you pain
Seems my efforts have been in vane
I'm pretending, still defending
Distant you remain
I lose again

Don't pretend we're still friends
You should know by now
It's not enough
Losing once again
I am the loser in the end

It breaks my heart

Don't pretend we're still friends
You should know by now
It's not enough
Never enough, no, no, no
