The Void

So tell me
 What were your intentions some time ago
 When you spent the night with me
 And tell me
 Did it make you feel good
 I need to know if it felt alright with me

I shied away again and again
 When I couldn't cope with pain
 I thought we'd be forever friends
 Have my efforts been in vain

Desperately trying not to fall into the void
 It seems our love has been destroyed
 And, yes, I am definitely crying
 Now the nightmare has come true
 But, baby, I want to be with you

So tell me
 What about the impact it had on us
 We have played a dangerous game
 I don't know
 How to make you happy
 I realize things will never be the same

Does it occur to you, my friend
 We were trapped inside a cage
 For months I have expected the end
 Will our love turn into rage

Because it's so hard to admit
 It might be wrong
 Yet I must try
 The love in me is burning still
 And burning strong
 I can't deny

Desperately trying not to fall into the void
 It seems our love has been destroyed
 And, yes, I am definitely crying
 Now the nightmare has come true
 But, baby, I want to be with you

I don't want to live without you
 How can I bear a life without you

So listen
 I don't want to force you
 But tell me if we can be together some day
 I guess it's
 All a bit confusing
 But if you do try and help me find a way

But even though I really care
 I'm not sure if it's enough
 Yet I know there is something there
 Is it everlasting love

Each night I cry
 Desperately trying not to fall
 I can't deny
 Baby, I expected you to call

Your smile so bright
 Definitely crying over you
 It felt so right
 Baby, tell me, why do I feel blue

Because there's something burning
 Deep inside my heart
 I can't deny
 The insecurity
 Is tearing me apart
 Each night I cry

Desperately trying not to fall into the void
 It seems our love has been destroyed
 And, yes, I am definitely crying
 Now the nightmare has come true
 But, baby, I want to be with you

It's so hard to live without you
 I can't bear a life without you
 See me fall into the void
 I've been destroyed
 So hard to live without you, my love

Remember

Forever and ever

I will never forget

Remembering

*I remember walking here
On a rainy April night
With you by my side*

*We were walking hand in hand
The rain came down, I didn't care
I could walk forever more to please you
Only to please you*

*I just want to be close to you
All of the time*

*But I knew it couldn't last
I would never find a way
To make you stay*

*There was nothing I could do
And even though you cared for me
We just have to live apart forever
Until the end of time*

*I'll remember your eyes
Dark and warm
I'll remember your hands
Soft, yet strong
Your lips all over me
Remember how good it used to be*

*So farewell to you, my friend
Everything I said was true
I care for you*

*And I hope you'll find a way
To be with me again someday
'Cause I know we have to be together
Until the end of time*

Azure Eyes

*Summer night
Glass of wine
Then I saw you arrive
Looking good
Feeling fine
Now I'm glad I'm alive*

*Azure eyes
Look at me and drive me wild
I admire everything that you say or do
My desire's breaking free just like a fire
Every night you are mine
And my love for you is true*

*Night out on the town
I go wherever you go
Need you so
Feelings never known
Come to the surface when I
Hold you tight*

*Your beauty took me by surprise
Your sparkling eyes made me surrender*

*Azure eyes
Look at me and drive me wild
I admire everything that you say or do
My desire's breaking free just like a fire
Every night you are mine
And my love for you is true*

*Walking through the park
Birds lead us into the dawn
With a song
Magic all around
This mystic sunrise, so pure
Now I'm sure*

*I'll remember your eyes
Dark and warm
I'll remember your hands
Soft, yet strong
Your lips all over me
Remember how good it used to be*

*I'll remember your smile
Sweet and kind
And your face
Is always on my mind
Your tears, that awful night
We parted, I still hurt inside*

*I'll remember you
Forever more*

*I just want to be close to you
All of the time*

Oh, how I love you

*I'll remember your eyes
Dark and warm
I'll remember your hands
Soft, yet strong
Your lips all over me
Remember how good it used to be*

*I'll remember your smile
Sweet and kind
And your face
Is always on my mind
Your tears, that awful night
We parted, I still hurt inside*

*I'll remember you
Forever more*

Eighteen Days

*Being with you
It feels so good
Talking to you
Being your friend
It feels so right
It's all I need*

*I've never ever met a man
Like you before
I've never ever been
So open-hearted*

*When you're around
I feel so safe
And so secure
When you're not here
I think of you
Every hour*

*I'll never ever let someone
Tear this apart
I'll never ever try
To hurt your feelings*

*Just eighteen days
I was by your side
Just eighteen days
I never knew how much I cared
Until somebody told you
You shouldn't see me anymore
It broke my heart*

*Just eighteen days
I was by your side
Just eighteen days
You'll never know how much I cried
Because somebody told you
You shouldn't see me anymore
It broke my heart*

Enlighten Me

Please enlighten me baby

*Tell me what you think
What is on your mind
Do you think that we could be together*

*I am tired of fighting
I'm fed up with the pain
I am sore from the crying
Am I going insane*

Please enlighten me baby

*Do you think that we could be together
Forever and ever*

*It is clear I still need you
It is clear I still care
I just can't live without you
It just isn't fair*

*How come that no one
Seems to understand
How come that no one
Seems to care*

*How come that no one
Seems to comprehend
How come that no one
Seems to care*

Please enlighten me baby

*Do you think that we could be together
Forever and ever*

*Because all I really wanted
Was to be your friend
But your lover didn't see it
Couldn't understand
And I never got to show you
Just how right it felt to be with you*

*Each time we meet
Each time we talk
I learn a lot
Everything
Seems to make sense
When you are near*

*I'd never ever make you choose
Against yourself
I'd never ever force my will
Upon you*

*Just eighteen days
I was by your side
Just eighteen days
I never knew how much I cared
Until somebody told you
You shouldn't see me anymore
It broke my heart*

*Just eighteen days
I was by your side
Just eighteen days
You'll never know how much I cried
Because somebody told you
You shouldn't see me anymore
It broke my heart*

*And I don't think I can take it
If you can't make up your mind*

Barricades

*Thought I was tough
Thought I was cold
I could control my emotions
I built a fence around my heart
You tore it down in a moment*

*I wish that I could hold you tonight
It hurts me inside now it's over
'Cause there is someone else
In your heart
It tears me apart, I can't take it*

You're the only one that I want

*You broke down the barricades
I erected around my heart
I thought I was incapable
Of feeling anything*

*But now you have gone away
And I'm crying all of the time
It seems so useless
To throw away all we shared*

*You, you're all I really want
You're all I really need
I feel it in my heart*

*He, he's no good for you, boy
He'll never change inside
It's tearing me apart*

*Now you are gone
I'm so alone
I realize how I miss you
Can't let it go, want you to know
How much it hurts here without you*

So Insecure

*Whenever
I am confused and stressed
I walk in the fields
To put my heart at rest
So peaceful, the gentle sound of birds
The purple heather
The freshness of the sea*

*Whenever
I'm feeling sad and lost
I go to a place
Where I can find some rest
A graveyard, quiet between the trees
The silence thickens the air
And comforts me*

*Sometimes I need to be on my own
Just to find the balance in life again
For a while I just have to be alone
Longing for peace of mind*

So insecure...

*I'm trying to find a way
To say what I need to say
Give you my love but it is not enough
I really don't know what to do*

*Whenever
I lose my trust in you
I walk on the beach
And hear the crying gulls
The comfort I find in nature's peace
The animals and the trees
Put me at ease*

*They say there's someone else that you love
He forced you to choose between us
I understand
He's part of your heart
But he'll never change and I love you*

You're the only one that I want

*You broke down the barricades
I erected around my heart
I thought I was incapable
Of feeling anything*

*But now you have gone away
And I'm crying all of the time
It seems so useless
To throw away all we shared*

*You, you're all I really want
You're all I really need
I feel it in my heart*

*He, he's no good for you, boy
He'll never change inside
It's tearing me apart*

You're the only one that I want

*You broke down the barricades
I erected around my heart
I thought I was incapable
Of feeling anything*

*But now you have gone away
And I'm crying all of the time
It seems so useless
To throw away all we shared*

*Sometimes I have to be all alone
Just to find the pleasure in life again
For a while I have to be on my own
Yearning for peace of mind*

So insecure...

*I'm trying to find a way
To say what I need to say
Give you my love but it is not enough
I really don't know what to do*

*My love, where did we go wrong I wonder
My love, am I tearing you asunder
My love, I need you so
But it's so difficult to show*

*Sometimes I need to be on my own
Just to find the pleasure of life again
For a while I just have to be alone
Yearning for peace of mind*

So insecure...

*I'm trying to find a way
To say what I need to say
Give you my love but it is not enough
I really don't know what to do*
