December Dreams

*I sit in my room
As I drift away in a dream
Of December
I see what's to come
I long for the magical month
Of December*

*And I see the snowflakes
Fall from the sky
With my mind's eye
And I hear the jinglebells
Ringing clear
With my mind's ear
December is near*

*Christmastrees, magic breeze
Blowing through the land
Christmasbells, magic spells
All at my command*

*The friends, relatives
I give all the love that I have
In December
The presents, the joy
I share all the warmth of my heart
In December*

*And I see the snowflakes
Fall from the sky
With my mind's eye
And I hear the Christmasbells
Ringing clear
With my mind's ear
December is near*

*Christmastrees, magic breeze
Blowing through the land
Christmasbells, magic spells
All at my command*

*And I see the snowflakes
Fall from the sky
With my mind's eye
And I hear the jinglebells
Ringing clear
With my mind's ear
December is near*

LOST IN LOVE

Oh, yes
I've been in love before
And I must admit
It's been quite serious sometimes
But now I've met a man I adore

I can't stop thinking about him
He's on my mind all the time
Cannot imagine living without him

I'm lost in love again
When I see him tonight
It will feel so right
Oh, I'm lost in love again
From his head to his feet
He's the only boy I need
I'm lost in love

Oh, no
I'll never let him go
You must understand
I've slept around for far too long
So now I really want you to know

I'm ready for this relation
Even if something goes wrong
I'd try to rescue the situation

I'm lost in love again
Just to see him tonight
It will be so right
Oh, I'm lost in love again
Oh, his body's divine
And tonight he will be mine
I'm lost in love

I need him with me forever
He is so gentle and kind
He is so tender and he's so clever

I'm lost in love again
When I see him tonight
It will feel so right
Oh, I'm lost in love again
From his head to his feet
He's the only boy I need

Oh, I'm lost in love again
Just to see him tonight
It will be so right
Oh, I'm lost in love again
Oh, his body's divine
And tonight he will be mine
I'm lost in love

LOSING AGAIN

Life without you is cold and hard
Feels so useless now we're apart
So confusing, I am losing
Silent are my tears

Feels like something deep down inside
Was assaulted, then slowly died
All the suffering and the anguish
I can't take no more

So insecure

Don't pretend
We're still friends
You should know by now
It's not enough

Losing once again
I am the loser in the end

Never wanted to cause you pain
Seems my effort has been in vane
I'm pretending, still defending
Distant you remain

I lose again

Don't pretend
We're still friends
You should know by now
It's not enough

Losing once again
I am the loser in the end

It breaks my heart

Don't pretend
We're still friends
You should know by now
It's not enough
Never enough
No, no, no

VOICES

Voices in the air
Whispers in the night
Remnants of the past
The mystery of light

Light a candle in the church
Light a light for me
I am broken, I am cursed
Longing to be free

Ancient melodies
Drifting through my brain
Fill my memory
A history of pain

Painful searching for the truth
Try to find a way
Somehow I have lost my youth
And my life turned grey

Silently crying
Each time you go
No more denying
I need you so

Captured by a thought
Fragments of delight
Sailing without aim
Got no more strength to fight

Fight my fear of emptiness
Chilling me inside
It gets harder to confess
Every haunted night

Silently crying
Each time you go
No more denying
I need you so

I can't accept it's over
Recalling every fight
Life is an endless night
Life is an endless night

Voices in the air
Whispers in the night
Haunted by the dark
The promises of light

Light a candle in the church
Light a light for me
I am broken, I am cursed
Longing to be free

Silently crying
Each time you go
No more denying
I need you so

INNOCENCE LOST

Innocence lost
We need a solution
To all this confusion
I've lost my illusions

Burdened with guilt
There's only frustration
In this situation
No imagination

I was trapped in an alley
Had to fight my way out
Tried to shout
No one listens

An attack by a stranger
Now there's blood on my hands
Self-defence
I can't take it

We're surrounded by violence
On the streets
Everywhere
No one cares
Nothing matters

Innocence lost
We need a solution
To all this confusion
I've lost my illusions

Burdened with guilt
There's only frustration
In this situation
No imagination

Late at night in the city
Walking near the canal
To a bar
With a girlfriend

She was thrown in the water
Just for fun
By some drunks
No one knows
Their intentions

We're surrounded by violence
On the streets
Everywhere
No one cares
Nothing matters

Innocence lost
We need a solution
To all this confusion
I've lost my illusions

Burdened with guilt
There's only frustration
In this situation
No imagination

TENDERLY

I am tired of fighting you
And I'm fed up with crying
I just want your tenderness tonight

We will talk about it in the morning
I've been trying
Just to find some answers
Some replies

But tonight, comfort me
Ease my pain tenderly
Try to understand how hard it is
To show emotion
No one ever taught me to express

But you've known for quite a while
About the true devotion
Deep inside of me
You could have guessed

So tonight, comfort me
Ease my pain tenderly
Please don't talk, just be still
I love you, always will

Don't hurt me, just be kind
Be my friend, just be mine
Be gentle, hold my hand
Until dawn, understand

If you give me time to think
About the love inside me
I will try to tell you what I feel

Please don't try to rush me, baby
Please don't try to guide me
I just need some space
To make it real

So don't talk, just be still
I love you, always will
And tonight, comfort me
Ease my pain tenderly

Don't hurt me, just be kind
Be my friend, just be mine
Be gentle, hold my hand
Until dawn, understand

Don't hurt me

FADING AWAY

They say she's only growing older
But I just know they are wrong
Sometimes she cries
And doesn't know why
She knows she's fading away
A little each day
Fading away, fading away
Away, away

They say she's only growing older
That vacant look in her eyes
Tells me they're wrong
She used to be strong

But now she's fading away
A little each day

She used to know their names
But now they're all the same
They come and they go
And she doesn't know who they were
The present means nothing to her

She's fading away
A little each day
Away, away

They say she gets a little slower
The twilight hour of her life
Clear is the past
Today doesn't last

She knows she's fading away
A little each day
Fading away, fading away
Away, away

THE HUNGER

On the hunt for some love again
I'm walking in the dark
Look around for a hungry man
A stranger in the park

As I lean against a tree
Light a smoke, so casually
He approaches with fire in his eyes

501's showing his desire
He moves to kiss my lips
Deep inside there's a raging fire
My hands upon his hips

Then we're moving in the night
Longing to be satisfied
In a mixture of pleasure and despair

Hungry for someone to guide the way
In this confusion, an illusion
Of someone who will stay
Yearning for someone who understands
All of my sorrow
Will tomorrow be brighter then

Watching him in a dimmed cafe
I left the place at once
I'm too scared to go all the way
Afraid to take a chance

Though I long for something more
I've been hurt too much before
I take care not to fall in love again

Hungry for someone to guide the way
In this confusion, an illusion
Of someone who will stay

Yearning for someone who understands
All of my sorrow
Will tomorrow be brighter then

Silent tears are falling down
On the ground, on the ground
Have to confess that my life is a mess
Without you the void comes to claim me
And maim me, and maim me

On the hunt for some love again
I'm walking in the dark
Look around for a hungry man
A stranger in the park

Though I long for something more
I've been hurt too much before
I take care not to fall in love again

Hungry for someone to guide the way
In this confusion, an illusion
Of someone who will stay

Yearning for someone who understands
All of my sorrow
Will tomorrow be brighter then

WAITING

Some time ago you left me here
On my own, all alone
Tomorrow you'll be back
Just for the night
But that's alright

Baby, your voice so far away
On the phone turns me on
I need you here with me
My body yearns
This longing burns

Thinking of you
Yes, I love you
Pretty baby
I am waiting

Will you hold me
Like you told me
Tomorrow night you will be mine

Waiting for you just drives me mad
Every day fades away
But when you're coming back
When you arrive
I'm high on life

Thinking of you
Yes, I love you
Pretty baby
I am waiting

Will you hold me
Like you told me
Tomorrow night you will be mine

Sometimes it seems the dream is real

Your handsome face is on my mind
Constantly, 'cause, you see
We share a perfect love
It's you and me
Eternally

Thinking of you
Yes, I love you
Pretty baby
I am waiting

Will you hold me
Like you told me
Tomorrow night you will be mine

CHRISTMAS CALLING

A few days before Christmas
The snow is slowly falling outside
The wind blows through the trees
And I can see glittering lights in the distance
The sweet taste of December
The gentle songs, the glory of Christ
The year, almost gone by
This is the time to look back and remember

Christmas calling

The year is fading away
A little every day
The nights are cold but you're near
My love, I hope you will always be here

In my heart burns an eternal flame
Without you life would not be the same
I don't think that I could bear
To live without your love
My love

A few days before Christmas
I wonder what the future will bring
It's time to realise
There is much more to be reached
In the new year

The sweet taste of December
The moment to reflect on the past
Recall every good day
I hope tomorrow will bring so much pleasure

Christmas calling

The year is fading away
A little every day
The nights are cold but you're near
My love, I hope you will always be here

In my heart burns an eternal flame
Without you life would not be the same
I don't think that I could bear
To live without your love
My love
